

Check it off

Indicate problem areas on this inspection form. It will help prevent disputes when you move out. Are the plumbing, electricity, faucets and drains working properly? Is the property clean, odor-free and pest-free? Sign and date it. Keep a copy for your files.

Inspection list for renters ✓

Before moving in, walk through the rental with your landlord and record problem areas. Attach extra sheets if needed.

For added protection, take photos of the rental before moving in.
