The Attorney General is making available \$630,000 from a nationwide settlement with Caremark Rx LLC through technology grants to local health organizations. These grants are intended to facilitate access to the free and reduced-cost prescription drug programs administered by pharmaceutical manufacturers. To help us determine your organization's eligibility to receive a grant, please provide all of the information requested.

Please e-mail any questions to ag@ago.mo.gov or call 800-392-8222.
