## Agency response

The City of Glendale is a bedroom community in the interior west county area of metropolitan St. Louis. We are at the mid point of four major shopping malls. We have one state highway with an average daily traffic count of over 30,000 vehicles. That number was greatly increased in 2008 due to the shutdown of Interstate 64, which parallels State Highway 100. We have two county arterial roads, both averaging over 10,000 vehicles per day. We are within a half-mile of Interstate 44, which allows for each access to St. Louis and the interstate system.
