Dear Mr. Mastin:

This Department acknowledges receipt of your letter dated June 23, 1933, as follows:

"Mr. Lawrence Goodwin, of this city, has made inquiry of this office as to the legality of the sale of wine containing 3.2 per cent alcohol.

Would you please give us your opinion as to whether or not it would be legal to sell 3.2 per cent wint in the State of Missouri."

As of July 26, 1933, this Department issued an opinion addressed to Dr. M. O. Reine, Food and Drug Supervisor, Jefferson City, Missouri, in which it was held that wine containing 3.2 per cent alcohol can not now be legally sold in the State of Missouri, except for medicinal and sacramental purposes under a permit to make such sale, a copy of which opinion we are inclosing you herewith.

Very truly yours,

GILBERT LAMB
Assistant Attorney General.
