

Approval of Stock increase Liberty National Life Insurance Company

December 29, 1934.

Hon. R. E. O'Malley
Superintendent of Insurance
Jefferson City, Missouri

Dear Sir:

In reply to your letter written by J. F. Allobach, Assistant Counsel, dated December 28, 1934, it is my opinion that the reduction of the par value of the capital stock of the Liberty National Life Insurance Company from ten dollars (\$10.00) per share to five dollars (\$5.00) per share, and the increase in the number of shares from 3750 to 5,000 has been in conformance to the insurance laws of the State of Missouri and is not in conflict with the laws of Missouri and the United States, and not inconsistent with the Constitution of Missouri and the United States.

Yours respectfully

Roy McKittrick
Attorney General
