No. 566(1966)
Answered by Letter (Siddens)

January 13, 1967

Honorable William R. Clark
Chairman, Missouri Public Service Commission
Jefferson Building
Jefferson City, Missouri

Dear Judge Clark:

Responding to your opinion request dated December 28, 1966, respecting interpretation of Attorney General's Opinion No. 407 to Honorable Warren E. Hearnes, dated December 8, 1966, we think it manifest that the Public Service Commission was inadvertently omitted from the list of agencies appearing on Page 11 of said opinion as among those not under the direct control of the Governor.

Yours very truly,

NORMAN H. ANDERSON
Attorney General
