

Answered by letter-Wieler

OPINION LETTER NO. 378

June 23, 1970

Mr. B. W. Robinson  
Assistant Commissioner  
Director, Vocational Education  
Department of Education  
Jefferson State Building  
Jefferson City, Missouri 65101

Dear Mr. Robinson:

This is in answer to your request for our review of the annual revision of the State Plan for Vocational and Technical Education in Missouri, said revision being necessary under the provisions of the Vocational Education Act of 1963, Public Law 88-210, as amended in 1968 by Public Law 90-576 (20 U.S.C., Section 1241 et. seq.).

It is the opinion of this office that the Missouri State Board of Education is the "state board" in this state within the meaning of Section 108(8) of Public Law 90-576. Also, we find that the Missouri State Board of Education has the authority under state law to submit a State Plan for Vocational Education and to administer or supervise the administration of same. See Sections 178.420 to 178.580, RSMo Supp. 1967. Further, we think that the provisions of this Plan can be carried out by the state; and we note that the Commissioner of Education has been duly authorized by the Missouri State Board of Education to submit the State Plan for Vocational and Technical Education in Missouri and to represent the Missouri State Board of Education in all matters pertaining thereto. See Section 178.540, RSMo Supp. 1967.

In conjunction with this letter opinion which constitutes our official certification of the application, we have completed the required certification form.

Yours very truly,

JOHN C. DANFORTH  
Attorney General
