OPINION LETTER NO. 190

Honorable George Dames
Representative, District 50
8 Boxwood Drive
O'Fallon, Missouri 63366

Dear Representative Dames:

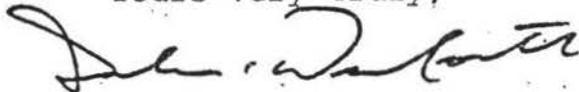

This is in response to your request for an opinion on the following question:

"Can a school district in Missouri limit its teachers from purchasing tax sheltered annuities from any properly licensed insurance company and allow the teachers to purchase same from only two or three insurance companies approved by the district?"

"Does this outlined procedure violate the insurance companies or insurance agents rights of free trade or commerce?"

We believe your question is answered by Opinion Letter No. 23 issued April 2, 1974, to Twitty. We have enclosed a copy of that opinion letter, together with Opinion No. 275 and the advisory guidelines referred to in that opinion.

Yours very truly,

JOHN C. DANFORTH
Attorney General
