OPINION LETTER NO. 251-2019

The Honorable John R. Ashcroft
Missouri Secretary of State
James C. Kirkpatrick State Information Center

Jefferson City, MO 65101

Dear Secretary Ashcroft:

This opinion letter responds to your request dated November 21, 2019, for our review under § 116.334, RSMo, of a proposed summary statement prepared for the petition submitted by Deirdre Hirner regarding a proposed constitutional amendment to amend Article XIV of the Missouri Constitution, (2020-126). The proposed summary statement is as follows:

Do you want to amend the Missouri Constitution to:

- remove state prohibitions on personal (recreational) use and possession of up to one ounce of marijuana and cultivation of up to three plants for personal use by persons at least 21 years old;
- remove state prohibitions on commercial cultivation, manufacture, and sale of marijuana by state-licensed facilities;
- impose a 15 percent tax on the retail sale of marijuana to primarily fund veterans' services, state highways, and drug addiction treatment;
- limit local control of marijuana dispensaries; and
- allow persons with certain marijuana-related offenses to apply to have sentences reduced and records expunged?

Pursuant to § 116.334, RSMo, we approve the legal content and form of the proposed statement. Because our review of the statement is mandated by statute, no action that we take with respect to such review should be construed
