

ATTORNEY GENERAL OF MISSOURI

ERIC SCHMITT

NOTICE

Attorney General Eric Schmitt has filed suit against Jackson County's order requiring mask-wearing as unlawful and arbitrary and capricious.

Masks are not required to be worn under the order and the legal direction of Attorney General Schmitt in the meantime if:

- You are in a private club or a place of public accommodation owned and operated on behalf of a religious corporation, association, or society;
- You are under the age of 18;
- You have a disability where a face covering or mask constitutes a substantial impairment to your health and well-being based upon medical, behavioral, or legal direction. This includes that you believe wearing a face covering or mask will have a significant adverse impact on your personal, mental, or physical welfare;
- You are in a restaurant or tavern actively consuming food or drink;
- You are obtaining a service involving the nose or face when temporary removal of the face covering or mask is necessary to perform the service; or
- You are alone in a separate room or office.

The place of public accommodation shall neither require you to produce medical documentation verifying a medical condition or disability, nor ask about the nature of a medical condition or disability.
