* Associated costs include court reporter expenses, expert witness fees, mediation services, etc. Associated costs may be related to a settlement or judgment reported in a prior month.

Note: Approximate estimated contested demands in pending claims for which legal expense fund coverage may be sought is **\$453 Million**. The estimate reflects an aggregation of current judgments on appeal, demands made by plaintiffs, and reasonable estimates of amounts that plaintiffs may demand in cases where no demand has yet been made. All amounts are contested. The Attorney General's office does not express an opinion about the likelihood that any plaintiff will prevail on any claim reflected in the approximate estimated contested demands. Lawsuits served within 30 days before this report are not reflected in the estimate. In addition, the estimate does not reflect cases handled exclusively by the Office of Administration pursuant to its delegation of authority. The Office of Administration settles certain cases against the legal expense fund in accordance with a delegation of authority from the Attorney General's Office. Transfer Voucher numbers are not available for transfers prior to November 2017.
