

ATTORNEY GENERAL OF MISSOURI
ERIC SCHMITT

September 9, 2021

OPINION LETTER NO. 114-2021

Mr. Ron E. Medley
1615 S. Deeswood Avenue, Apt. D
Springfield, MO 65804
(417) 533-4926

Re: Opinion Request

Dear Mr. Medley:

We have examined your request for an Attorney General's Opinion regarding whether Oak Ridge Properties, LLC, is violating § 339.180, RSMo, by operating as a property management entity without having a real estate license.

Unfortunately, we must decline your request for this opinion. Section 27.040, RSMo, provides for the Attorney General to issue an opinion to particular officers or entities, and a private individual is not among those entities statutorily entitled to an opinion from this office. You may wish to discuss your questions with private legal counsel of your choosing.

Sincerely,

A handwritten signature in blue ink, appearing to read "Linda Lemke".

Linda Lemke
Assistant Attorney General
