**RE: Sunshine Law Request**

Dear Dr. Glass:

I write to request copies of the following public records pursuant to Chapter 610 of the Missouri Revised Statutes:

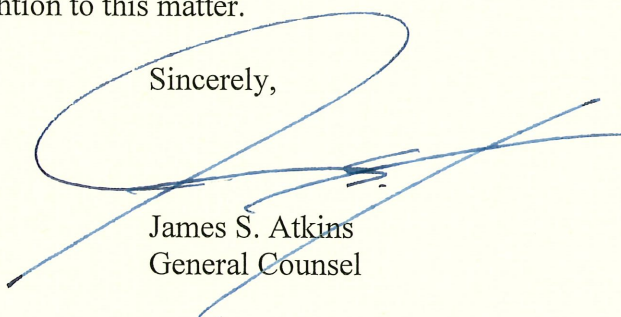

1. List maintained by the District of all instructional textbooks adopted pursuant to board policy IIA-AP(1) for use in K – 5 classrooms during the past ten (10) years.

I request that all responsive records be produced electronically, or be made available immediately for inspection.

This request seeks documents that are in the public interest because they are likely to contribute to a better understanding of the operations or activities of Cape Girardeau Public Schools. In addition, this is not a request for commercial purposes. For these reasons, pursuant to § 610.026.1(1), RSMo, the Missouri Attorney General's Office requests a waiver of any fees associated with processing this request for records.

Thank you for your time and attention to this matter.

Sincerely,

  
James S. Atkins  
General Counsel
