May 8, 1950

Honorable Samuel Marsh  
Director  
Department of Public Health  
and Welfare  
Jefferson City, Missouri

Dear Mr. Marsh:

In reply to your request we have examined the contract for the construction of five (5) staff residences at State Hospital No. 3, Nevada, Missouri, between the State of Missouri and J. G. Welborn of Nevada, Missouri.

We find the contract to be in such form as to bind the parties thereto. It is assumed that there is a sufficient amount of money in the appropriation to cover the contract sum as agreed upon.

Yours very truly,

JOHN R. BATY  
Assistant Attorney General
