June 19, 1950

6/19/50

Honorable Samuel Marsh  
Director  
Department of Public Health  
and Welfare  
State Office Building  
Jefferson City, Missouri

Dear Mr. Marsh:

We have examined the contract with the Koch-Schroeder Construction Company of St. Joseph, Missouri, for repairs to roofs on property at the State Hospital #2, St. Joseph, Missouri, provided for in Specifications dated April 26, 1950.

We find the contract to be in such form as to bind the parties. It is assumed that there is a sufficient amount of money in the appropriation to cover the contract sum as agreed upon.

It is further assumed that all requirements of law in the letting of contracts have been followed.

Yours very truly,

JOHN R. BATY  
Assistant Attorney General
