Honorable A. R. Troxell
Counsel
Division of Insurance of Missouri
Jefferson City, Missouri

Dear Mr. Troxell:

Herewith, we are enclosing the original and triplicate copies of the opinion you requested in the matter of the incorporation of the Protective Mutual Casualty Insurance Company.

We are likewise enclosing two copies of the draft of the Articles of Incorporation of said company. We also return the original proof of publication of the Articles of Incorporation. This proof of publication, we believe, should be retained by your office, along with one copy of the original signed and acknowledged Articles of Incorporation. We would, however, like to have a copy of the proof of publication for our files. But, you should keep among your records, the original.

Trusting that this will meet with your approval, and that it will be sufficient for your records, we are,

Very sincerely,

GEORGE W. CROWLEY,
Assistant Attorney General
