RE: Sunshine Law Request

Dear Custodian of Records:

I write to request copies of the following public records pursuant to Chapter 610 of the Missouri Revised Statutes:

1. All documents received by Melissa Angst relating to the Missouri School Boards' Association's October 22, 2021 special Board of Directors meeting, including emails, agendas, materials, and meeting minutes.
2. All emails Melissa Angst received from or sent to an email address ending in @mosba.org between November 1, 2021 and December 31, 2021.

I request these records in an electronic format if that format is available.

These requests seek documents that are in the public interest because they are likely to contribute to a better understanding of the operations or activities of Laclede County C-5 School District. In addition, this is not a request for commercial purposes. For these reasons, pursuant to § 610.026.1(1), RSMo, the Missouri Attorney General's Office requests a waiver of any fees associated with processing this request for records. If that waiver is not granted, please provide an estimate of the cost.

Thank you for your time and attention to this matter.

Sincerely,

A handwritten signature in blue ink that reads "Justin D. Smith".

Dear Mrs. Jennings:

MSBA is pleased to provide your district with the 2021C Update of policies, procedures and forms. This small update reflects changes in law that pertain to school board elections and recording meetings held under the Individuals with Disabilities Education Act and Section 504 of the Rehabilitation Act of 1973. The update also includes a new Behavioral Risk Assessment policy.

Language we are adding to the revised documents will appear in redline onscreen, and language we are deleting will appear with blue strikeout. When the documents are printed, the added language will appear underlined, and deleted language will appear in strikeout.

The explanations on the first page of these documents include information and instructions that will assist the board and administration in understanding why these documents are being updated and how to modify the documents to best suit the district. Please read these documents and the accompanying explanations carefully.

MSBA's sample forms are available to download at <https://www.mosba.org/sample-administrative-forms/>. These forms are provided in Microsoft Word format, and districts are free to customize the forms with district logos and mottoes, add local custom language, or alter or remove MSBA standard language as desired.

Subject: Special MSBA BOD Meeting on Friday, 10/22 at 9 am via Zoom

Dear MSBA Board of Directors,

As you know, earlier this month the National School Boards Association sent a letter to the White House requesting federal law enforcement assistance to deal with cases of threats being made toward school board members in this tumultuous climate we face today. The letter was accompanied by a press release and has been the subject of considerable negative comment in the press and on social media. Unfortunately, Missouri has an open US Senate seat and the election for that seat has caused our state to be a hotbed of political discourse. Numerous legislators and candidates for office are refusing to distinguish between NSBA and MSBA have used the letter to attack MSBA and our local boards.

I have been regularly meeting with MSBA's officers about this issue as it has unfolded and our Executive Committee met yesterday to further discuss the issue of MSBA's involvement with the National School Boards Association. Our President, Nancy Masterson, is calling a special **Board of Directors meeting** via **zoom** for **Friday, October 22 at 9 a.m.** Please RSVP your ability to participate in this meeting. We apologize for the short notice of the meeting, but we feel it is critical to have the involvement of the full board in these time sensitive matters.
