**RE: Sunshine Law Request**

Dear Custodian of Records:

I write to request copies of the following public records pursuant to Chapter 610 of the Missouri Revised Statutes:

1. All emails sent or received by Board of Education President Ruth Johnson containing Missouri School Boards' Association financial reports and budgets.
2. All emails Board of Education President Ruth Johnson received from or sent to an email address ending in @mosba.org between May 1, 2021 and June 30, 2021.

I request these records in an electronic format if that format is available.

These requests seek documents that are in the public interest because they are likely to contribute to a better understanding of the operations or activities of Raymore-Peculiar School District. In addition, this is not a request for commercial purposes. For these reasons, pursuant to § 610.026.1(1), RSMo, the Missouri Attorney General's Office requests a waiver of any fees associated with processing this request for records. If that waiver is not granted, please provide an estimate of the cost.

Thank you for your time and attention to this matter.

Sincerely,

A handwritten signature in black ink, appearing to read "Justin D. Smith", written over a horizontal line.

Description: **Is there a way to engage our most unengaged students? Is there a way to show students how subjects integrate, like they do in the real world? Could students work on projects for real clients? Is there an authentic way for students to build essential skills? RP Enterprise & Design, a microscool in the RayPec District, is set to do just that. Learn how the idea developed from student passion projects to a 1/2 day integrated student program.**
